About Resounding Joy

Resounding Joy enhances the human experience through the therapeutic use of music. In 2018, Resounding Joy provided music therapy and recreational music services to more than 4,500 children and adults in the greater San Diego region. Resounding Joy board-certified staff music therapists and volunteers deliver services through programs that target underserved populations, primarily:

- **Healing Notes** - music therapy to support children with medical needs
- **Semper Sound** - music therapy to assist service member and veteran rehabilitation

The Resounding Joy vision is to expand international awareness and to increase access to the power of music for recreational and therapeutic purposes.
