

## Thank you to our Heart of a Child Giving Campaign and JoyFest volunteers!

We are so, so grateful for all of the volunteers that helped during our month-long Heart of a Child Giving Campaign and our celebratory afternoon at JoyFest: Heart of a Community.

Thanks to your help, we were able to raise \$49,700 (and counting!) for the Ariana Miller Sounds of Healing Notes program, and we were able to host a heart-warming afternoon of fun for the children and families served by our Sounds of Healing Notes program.

A few volunteers we would like to thank individually: Aren, Carolina, Jacqueline, Karen, Lauren, Linda, Lisa, Nicole, Terri, and Mike and the rest of the team at San Diego Printers. Thank you for all that you did during this campaign and event!

UNPAID INTERNSHIP

We are now accepting applications for two unpaid internships:

1. Nonprofit Development Intern (fundraising, marketing, event planning)
2. IT/Digital Support and Innovation Intern (IT, CRM, website, and more)

These internships are ideal for students or individuals that want to gain experience in the nonprofit sector. Our interns benefit from flexible schedules, a hybrid work environment, and the ability to support Resounding Joy according to their interests and experience.

Send your resume and cover letter to our Community Outreach and Volunteer Coordinator to apply.

## Volunteer Highlight: Thank you to our Spring and Summer Nonprofit Development Intern, Nicole Choung!

"I am so grateful to have had the opportunity to work at Resounding Joy and meet all of the wonderful staff. Particularly, I wanted to thank Alyanna for being an incredible supervisor to all of the interns and for helping all of us grow immensely throughout the program.

I've been able to learn so much more about marketing, and how important it is to optimize your various social media platforms in order to raise awareness about a brand or organization. Through trial and error, I was able to see what content was the most engaging and brainstorm how we can improve our media presence moving

forward. I also learned much more about event planning and the various elements that go into a successful event.

To me, the best thing about being an intern at Resounding Joy was being able to contribute to such an amazing cause. The organization is doing so much good for the greater San Diego area and I loved being able to witness its impact on underprivileged communities. I'm excited to see how Resounding Joy will continue to prosper in the future. Thank you so much for helping me grow and continue to learn!"

Thank you, Nicole, for all your time and effort over the last few months! From partnerships to events to marketing to communications to community outreach, you helped us with a little bit of everything. For anyone that may have missed it, Nicole helped Resounding Joy launch a TikTok account in July! Our first video showcases JoyFest: Heart of a Community, and we hope to have a new video up at least once every month.
